

Coexist Expectations

Who are we?

COEXIST is a student-led group that wants to create a respectful, inclusive, and safe learning environment and school community by raising awareness, providing education, and building support across cultures, races, gender identities, ages, religious beliefs, and sexual orientations.

What do we do?

Coexist is student led, and student run. We have had events on Black History Month, Woman's History, Pride, Human Rights, etc. Students decide what to support, when to plan events, etc. Admin approval and teacher approval is required for all events planned.

How do I join?

Coexist will have a meeting at the beginning of August where info will be given out, as well as parent permission slips. Parent permission **MUST** be signed in order to join the club. Please note, without this, you cannot participate in events or club meetings.

What are the expectations for the club?

We are respectful, courteous, kind, and honorable students. There is no bullying, poking fun, or harassments of any kind within the club. We are accepting and understanding of all people, no matter who they are, or what they believe. **NO EXCEPTIONS.**
